## VOLUNTEER

## OPPORTUNITIES

- \* **Evening of Decadence:** Will be held March 20th at the Yalenka Hall. If interested in helping out, please contact Karen.
- \* **Dinner Set Raffle:** All members will be asked to help sell raffle tickets - they will be available in the next few weeks.
- \* **Spring Arts Bazaar** It is that time again - chili bowls! The guild will need about 400 - 500 chili bowls again for this years' arts bazaar.

\* **Clay Order:** Clay order is in. Please pick up your things at guild. Donna has asked that when you place future clay orders to please fill out the description more thoroughly and include the page number in the catalogue where the item can be found.

\* **Guild Maintenance:** Please note that members may be getting phone calls periodically from Helen Wight (Studio Director) to ask for their help with guild jobs e.g. cleaning traps, doing reclaim, mopping the guild etc. Thanks in advance for your assistance with these tasks that help our guild stay clean and safe.

\* **Reclaim:** Please **DO NOT** put bisque in the reclaim. Also please be careful with the reclaim - recently a carving tool was found in it and this could really injure someone and/or ruin the pug mill.

## COMMUNITY EVENTS

- \* **PGPG Evening of Decadence:** Mar 20 at the Yalenka Hall
- \* **CAC Arts Fest 2010:** Regional Juried Art Show April 23 - May 1 - see Studio2880.com for further details.
- \* **CAC Spring Arts Bazaar:** Saturday June 6 10:00 - 3:00pm

## STUDIO STUFF

## CLASSES

- \*Beginner with Anne C. Thursdays January 21 - Feb. 25 6:30-9:30pm
- \* Intermediate with Karen and Jim Tuesdays Feb. 2 - Mar. 9 6:30 - 9:30pm
- \*All class registrations at Studio 2880 15th Avenue

- \* **Policies and Procedures** There will be the first brainstorming session Jan. 30th at 10:00am at Studio 2880 upstairs in the pre-school room. Wendy Young from CAC will facilitate. All members encouraged to participate.
- \* **Kilns:** For those who are firing kilns, please do not open or unload the kilns until they have cooled to 100 degrees.

\* **Glazing:** Please ensure that your glazed pieces have been wiped off on the bottom and the bottom edges (where the pots have been waxed). Some pieces have not been getting fired because they have not been wiped off properly and they will stick to the kiln shelves.

**Next Meeting: Feb. 8 at 7:00pm**
