\* **Glazing / Firing:** Please ensure that when you glaze you wipe the bottoms and bottom 1/4 inch of your pots (the waxed part) before putting them on the shelf to be fired.

• **Guild Room / Damp Room:** Could members and students please ensure that they clean up after themselves. There was recently popcorn left on one of the tables.

### TIP OF THE MONTH

- **Old phone books:** What do you do with all those old phone books? You rip the pages out and use them in the studio. They are great for absorbing moisture under pots, tiles and just about anything. They tear out easily, stack well, and can be thrown away when over used. You can use one at a time or a stack to absorb moisture, also great for packing plates, platters, tiles. - Diana Alv

### Next Meeting / X-mas

**Gathering:** Dec. 12 at 7 pm at Anne C.'s - Appetizer potluck. Theme for the gift exchange is "pots and stuff".
